Welcome to the Herndon Centennial Golf Course

On behalf of the entire Herndon Centennial Golf Course staff, I would like to welcome you to our facility and express my personal appreciation for your patronage. Designed by Ault, Clark & Associates, the par 71 championship layout opened for play in 1979. The course features 18 beautifully landscaped holes, practice facilities, and golf instruction by PGA professionals. Herndon Centennial's clubhouse amenities include a fully stocked pro shop, food and beverage service, and locker rooms.

Throughout the years the course has played host to several USGA Public Links sectional qualifiers and provided a high quality golfing experience to thousands of patrons. Known as one of the most popular public courses in the Washington D.C. metropolitan area, we are proud to have been recognized in Golf Digest's "Best Places to Play" for thirteen consecutive years.

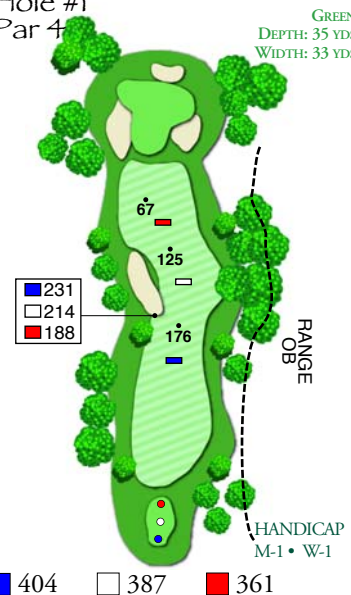

Once again, welcome and thank you for your patronage. Our team is totally dedicated to providing quality playing conditions, facilities, and the finest service possible. Enjoy your round.

Hole #1
Par 4

O.B. guards the right and left side of this long par 4. Tee shots on the right side of the fairway will leave the best angle of approach to a green that is guarded by three bunkers.

■ 361 □ 347 ■ 319

Medium length dogleg left par 4. Fairway narrows with longer tee shots. Hidden hazards on the left and behind the green.

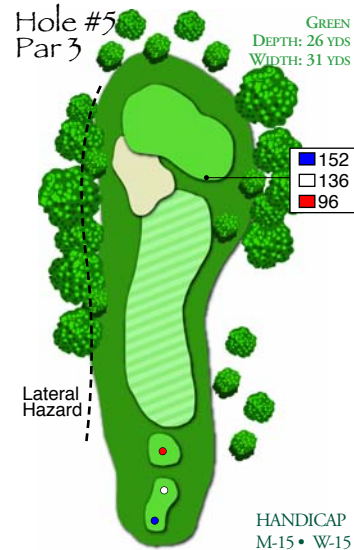

■ 509 □ 466 ■ 389

Par 5 has water on the right side of the fairway and a reachable bunker on the left side. Tee shots in the fairway make this hole reachable in 2 for long hitters. An uphill approach guarded by bunkers makes hitting the green tricky.

■ 360 □ 329 ■ 262

A straight par 4 with a tough green sloped from back to front. Approach shots below the hole leave the best opportunity. Avoid any shot over the green.

■ 173 □ 157 ■ 117

This uphill par 3 plays longer than it looks. The green slopes from front to back and has a front bunker that can come into play.

■ 368 □ 355 ■ 301

Downhill dogleg left par 4 that has OB on the left side of the fairway. The green is guarded by bunkers and a lateral hazard in back.

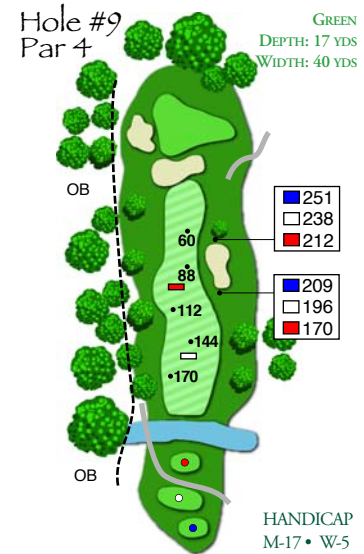

■ 172 □ 149 ■ 114

Another mid length par 3 has both a lateral hazard and OB down the left side.

■ 355 □ 335 ■ 310

Medium length up and down hill par 4. A straight drive to the top of the hill will avoid the fairway bunker and OB on the left, trees on the right and blind shots to the multi-tiered green.

■ 310 □ 297 ■ 271

A short par 4. A straight tee shot will allow for an easy approach into a green that slopes from back to front.

Hole #10
Par 4

■ 343 □ 326 ■ 302

Severe dogleg right par 4. A tee shot down the left side of the fairway will leave the best angle into the green.

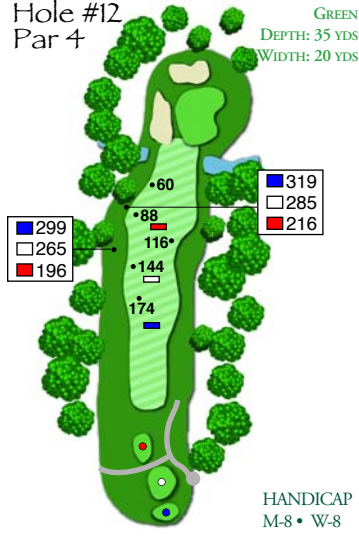

Hole #11
Par 4

■ 402 □ 361 ■ 334

Severe dogleg left par 4 favors a draw off the tee. Tee shots down the right side of the fairway leave the best angle for approach. A hazard lurks behind the toughest green on the course.

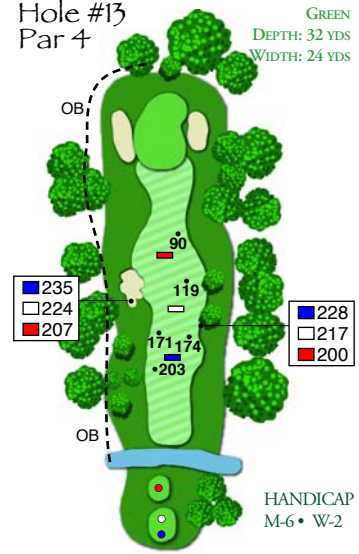

Hole #12
Par 4

■ 410 □ 376 ■ 307

Medium length dogleg right par 4. Any tee shot in the fairway leaves a good angle. Long green makes distance control important on approach.

Hole #13

Straight away par 4. O.B. along left side of the entire hole. Green is guarded by bunkers on the left and right side.
